**10. OLD BUSINESS**

- Greg and Patti Mindock – concern over trees that have yet to be planted by Cornerstone Construction and Rich Rosenberger. It was agreed upon at the March 14, 2002 Village Council Meeting the Rosenberger would plant a double row of pine trees between his development and lots #71-#77 of Village Green #2. The meeting minutes from April and May of 2002 do not appear to show that trees being planted as a barrier was ever included in a Council vote. It was stated that Mr. Rosenberger “still agrees to put in a double row of pine trees along the property line as screening”.
- Gull Lake Community Schools Homeschool Partnership would like to rent the Hall one day a week starting in the fall for a drama class. Class will last for about an hour and a half, and last the entire school year. No stage make up will be used.
- 4<sup>th</sup> of July parade has been cancelled.
