Public Comments:

Virginia Mejeur, resident on N. 32nd Street, commented that during the November 11, 2013 regular council meeting, it was stated that the sale of the 2011 Crown Victoria was going to net \$8000.00. Mrs. Mejeur stated that there was a figure of \$4700.00 from the insurance for the vehicle. Mrs. Mejeur asked if the car would be sold with a valid "junk" (salvage) title. President Pro Tem Koporetz replied that the car would be sold with a valid salvage title as the vehicle is still legal for the road, but no longer legally fit to be a police cruiser. Trustee Foust commented that the reason was a slightly bent frame. President Gobble commented that after unsuccessful silent bids and more than 6 months of being for sale, the newest bid of \$3500.00 for the 2011 Crown Victoria was likely the highest the village would receive.

The approximate \$8000.00 total that the village was expecting to net from the Crown Victoria included \$4700.00 from the insurance, and the sale of the vehicle at \$4000.00.
